01-Oct-2015

Dear Colleagues,

Just ten days after the Greek election, we are delighted to launch the latest addition to the GPSG Pamphlet Series, featuring short commentaries from 37 experts.

The document can be downloaded from our Pamphlets page at <http://www.gpsg.org.uk/publications/pamphlets/>

The direct link is:

We would like to thank everyone who responded to our call for contributions and, in particular, to Patty Dohle, our copy editor, and Auguste Janutaite, our designer, for turning around a substantive piece of work in an extremely short space of time.

As always, we hope that this publication will lead to a fruitful dialogue and welcome further contributions through our various outlets, publications and events.

Kind Regards,
Roman Gerodimos
